Dear Business Manager,

The Girls Academic Leadership Academy (GALA) is California's FIRST all-girls PUBLIC school in all of California. Located here in Los Angeles, our mission as the non-profit organization is to support and cultivate strong, confident, kind, smart young women who will make a difference in career fields. To become leaders in helping to solve the world's problems with thoughtful solutions that will impact their communities. GALA welcomes all girls within the Los Angeles Unified School District (LAUSD) who are committed to a highly rigorous, college preparatory curriculum focused on science, technology, engineering and math (STEM).

I write asking for your support for GALA, my child's school. Our non-profit organization, Friends of GALA (FoGALA) is run solely by parent volunteers, but in order to meet demand for our programs, we need your help! One of our favorite parent-led events is the **Legendary Bingo Night** hosted at **Hamburger Mary's in West Hollywood**. It will be on **Tuesday, October 29th** at 7pm. This is a fun event that brings in adults who love to go out and at the same time support a cause. This event is attended by parents of GALA students, family and friends and raises much-needed financial support for our organization to support the programs and initiatives of GALA. Our Midcity location means our community is in your marketplace. We would be delighted if your business would consider partnering with us by donating a gift certificate or some of your products to be used as a prize at Bingo Night!

Your business will be announced to a full house as a donor and Hamburger Mary's patrons will win and hopefully become a new customer for you as well. We will also advertise your business as a sponsor on our organization's website (www.fogala.org/bingonight) and social media (Instagram @FriendsofGALA). All donations are tax-deductible. If you have any questions or want to learn about other ways to get involved with GALA through our non-profit organization, please contact me at Fundraising@fogala.org.

Thank you for your full consideration and your time.

Sincerely,

Angie Gomez
